

How to register a host machine on Go-To-My-Pc

Please follow below instructions for Go-To-My-PC registration:

1. Click on [Go To My PC Setup File](#) (Click OK to open file)
2. Select Run whenever prompted.
3. Follow the default instructions and just click on Next.
4. Hit "Finish" when done.
5. The following dialog will prompt to test the connection:

6. Enter Email address as support@lidco.com.au and Account Password: **lidco123**

7. Enter Nickname as "←Your Company Name→"

Access Code is **lidco123**

Confirm Access Code: same as Access Code

Your machine should now be registered on Go-To-My-PC.
